

ENGL 100 Reading and Assignment Schedule

Spring 2018, 9:35am & 12:45pm

This schedule provides a good overview of most all our readings and lists due dates for our essays, proficiency demos, and peer review sessions, but it doesn't list dates for in- and out-of-class tasks (such as journal homework) and doesn't list other readings (such as handouts). That information will be announced in class so it can fit in best with our day-to-day progress. Also, our schedule may be revised if it helps to better serve the educational needs of our class.
